Town & Country Lodge, Dallas Highway	597-2511

G E N E R A L
S A L E I N F O R M A T I O N

TIME AND PLACE--The sale will be held at the East Texas Fairgrounds, Tyler, Texas, starting promptly at 12:30 p.m.

GUARANTEE--The cattle are sold under the standard guarantee endorsed by the American Shorthorn Association. Where footnotes appear they were furnished by the consignor. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager or the auctioneer assume any liability of any kind.

TERMS--Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with the consignor from whom you purchase. Be sure to give the clerk complete information on transferring pedigrees and shipment of cattle. All stock will be at the buyers risk as soon as bid off, although naturally every precaution for the safety and well being of the animals will be exercised. Insurance will be available at the sale.

HEALTH--All animals are free of T. B. and Bang's disease and health papers can be furnished for immediate shipment.

LIABILITY--Although every precaution will be taken to provide for the safety and comfort of those attending this sale, all who attend do so at their own risk. Neither the consignors, auctioneer, nor the sale manager accepts any liability for accidents that may occur.

RUSSELL CANTWELL DISPERSAL

First, all certificates of our cattle are three generation background and since the catalog contains only two generations, you will understand when some animals in the third generation are mentioned below.

We regret need for departing with our Shorthorns. Our herd is young and all females have dropped every calf on our farm. The few older females and two of the heifers have out cross breeding at least on the dam side and often on the dam side of the sire. The reference sires in front of catalog covers the sires fairly well with one key exception, namely, Calrossie Forward March.

This bull was son of the greatest acclaimed Shorthorn Sire Calrossie Welcome. Forward March was a large lengthy well made bull that did a lot for the breed. He was Grand Sire of Aberfeldy Image on the dam side. Image was a splendid breeder; so, since I kept most all of his heifers, I sold him to obtain complete outcross bull, Scotsdale Culloden, purchased in Canada in October, 1969.

Mrs. Cantwell and I have moved into Tyler and will cease to participate in cattle in any way, other than to observe. Our experience with Shorthorns and those throughout the land raising them has been most pleasurable and these experiences and friendships will be treasured always.

A handwritten signature in cursive script that reads "Russell Cantwell". The signature is fluid and elegant, with a large, sweeping initial 'R'.

Russell Cantwell

J. M. SIMPSON FIRST REDUCTION

Coupled with the invitation of Russell Cantwell to join in his herd dispersal sale and the need to reduce numbers to meet decrease in land operation, this affords my first appreciable participation in a public cattle auction.

We have owned registered Shorthorns for some twelve or more years and have found them more productive than other breeds. Our most recent herd sires are: Sooner Great Event by Kelburn Great Event and out of GV Silver Mysie Cow--Melbourne Masterpiece, second top selling bull in the 1965 Melbourne Sale at \$5,800 for a two-thirds interest. He has and continues to produce brilliantly. Most of the females in this sale are nursing calves or bred to Masterpiece or both. You cannot make a mistake with one of his gets.

Our other herd bull is Hart's Napoleon a growthy, long, big bone son of Acadia Napoleon 77. This young bull is bringing us some exceptional calves and is producing like his All American sire.

The cattle in the sale will be as represented and you cannot help but gain by buying cattle that produce and are healthy insofar as our knowledge will permit us to know. We will look forward to seeing you on Sale Day.

A handwritten signature in cursive script, reading "J. M. Simpson". The signature is fluid and elegant, with a large, sweeping "J" and a long, trailing "S".

J. M. Simpson

STANDARD GUARANTEE RECOMMENDED BY

AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

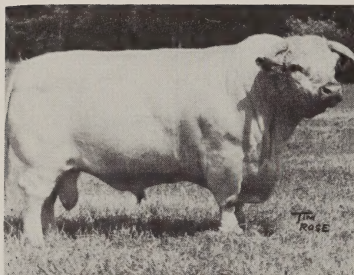

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test of Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. When cattle are sold at private treaty the above terms shall apply as well as for sale at auction.

For Reference Only

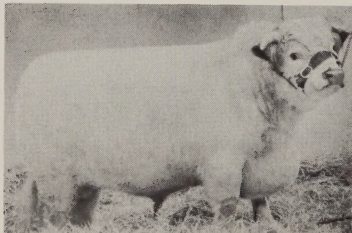

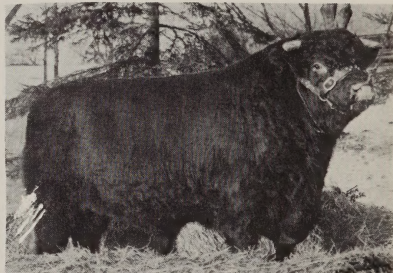

ABERFELDY ROYAL ROBIN

This outstanding sire is gone, but his influence is perpetuated through leading herds in the United States and Canada. Sired two International Supreme Champion bulls and Reserve Champion bull in three years. Sired four consecutive winning gets-of-sire at Royal Winter Fair, four consecutive champion bulls, four All-American Senior Gets, 24 all Americans and an International Reserve Champion female. No other bull has matched this record. His imprint is on 26 lots in the Cantwell offering.

SCOTSDALE TEHRAN

Breeders refer to Scotsdale Tehran when illustrating that hard-to-find combination of size with quality. Tehran weighs nearly 2,225 pounds on pasture at Scotsdale. He is by the Royal Winter Fair champion Scotsdale Navarre that was also a 2,300 pounder. Tehran has produced many of the top selling Shorthorns in North America. He is sire of Scotsdale Culloden, young herd sire in the Cantwell herd.

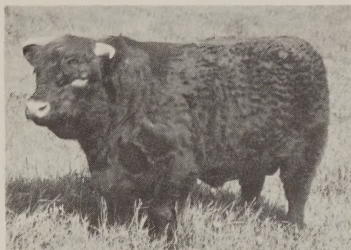

ABERFELDY EXCHEQUER

International Reserve Grand Champion, son of Aberfeldy Royal Robin. He was also Senior Yearling, Grand Champion Royal Winter Fair, and the Canadian National Exhibition. Exchequer sired four heifers and is in pedigrees of eleven lots in Cantwell sale offering.

For Reference Only

MELBOURNE MASTERPIECE

Masterpiece was second top selling bull in 1965 Melbourne sale at \$5,800 for two-thirds interest. Sire, Calrossie Diamond, one of greatest breeding bulls in history. His get are outstanding. His great length, size, scale, and bone, coupled with heavy muscling puts him in class of a modern beef bull.

HART'S NAPOLEON 21ST

A large, lengthy, correct son of the All American Acadia Napoleon, half brother to International Grand Champion Acadia Napoleon 66th. This young bull is producing excellent calves that will do good in any show or pasture for herd building.

SOONER GREAT EVENT

This young sire is son of Kelburn Great Event and out of a big Silver Mysie Cow. Kelburn Great Event has a list of Champions and top sellers that would fill a volume. His calves have great scale and bone. His daughters are females of exceptional strength and udders.

The above three bulls are current herd sires of the J. M. Simpson Ranch.

IOWA BEEF IMPROVEMENT ASSOCIATION

The Iowa Beef Improvement Association Sale, Colfax, Iowa, which was held this last year, is a good illustration of how the Short-horns of today are performing. In competition with seven other breeds Shorthorns topped all of them, including crossbreds in daily gains and in weight per day of age. In the sale that followed, the Shorthorn popularity was indicated by their \$1442 average, highest of all breeds.
